

# Terms of Use

*Last Updated: October 7, 2017*

## Welcome

Welcome to the There's A Pharmacist In The House website. This site is intended to advance There's A Pharmacist In The House's mission to protect public health, promote wellness and prevent chronic disease by providing trustworthy, progressive, and holistic information about the causation and potential prevention of chronic disease and methods to create wellness and health.

## Access or Use of the Site

Any person or entity accessing, browsing, or using this site, in any manner, is considered a "User" under this statement of the Terms of Use for There's A Pharmacist In The House. All Users acknowledge and agree to be bound to the terms and conditions of this Statement, including all revisions to this Statement which may be made at any time, for any reason, in the sole discretion of There's A Pharmacist In The House. If User does not agree with this Statement, or any revisions to this Statement following posting of such revisions on this site, then user agrees to cease using the site immediately. The statement that is posted on the site is the statement that is currently in effect. User agrees to periodically review the terms and conditions set forth herein.

User is responsible for his/her/its use of this site and content, as well as all data, information, and material submitted or transmitted to the site by user. Further, user is solely responsible for accessing and using this site and its content in compliance with all applicable federal, state, and local laws and the statement.

Any site content that user accesses, copies, downloads, or uses is done so at user's risk and user assumes sole responsibility for any decisions made based upon such content and any damage or harm to user's computer or computer system(s) due to such use of site Content.

User is strictly prohibited from engaging in unlawful, objectionable, or malicious conduct or activities related to this Site, its Content, or its servers, which include, but are not limited to, the transmission or distribution of viruses, computer worms, Trojan horses, malicious code, denial of service attacks, unsolicited commercial e-mail, or the like; the unauthorized entry to any other machine accessible via the Site; the unauthorized submission or transmission of data or material protected by a proprietary right of a third party; or the submission of harmful, obscene, sexual, threatening, harassing, defamatory, unlawful, or otherwise objectionable information, material, or communications. In the event that user engages in such conduct, activities, transmissions, or submissions, or otherwise causes any technical disruption of this site or the services transmitting the Site to User, user shall be responsible for all There's A Pharmacist In The House and third party claims, losses, liabilities, and costs, including reasonable attorneys' fees, arising from any and all such conduct, activities, transmissions, or submissions.

## Disclaimers

There's A Pharmacist In The House offers the site and its content "as is," and, to the fullest extent permitted by law, disclaims all warranties regarding the site and its content, whether expressed or implied, including, but not limited to, any warranty as to the quality, accuracy, sufficiency, non-infringement, merchantability, or suitability of this content for any particular purpose. Further, user agrees that There's A Pharmacist In The House, its members, directors, officers, employees, contractors, authorized representatives, affiliates, and assigns shall have no liability or responsibility for any damages, losses, costs, or expenses, regardless of the cause of action, which may arise, directly or indirectly, based upon the performance of this site or user's access to, copying of, downloading of, or use of any site content or the server that makes the site available.

## Third-Party Internet Sites

The site may include information about or links to other Internet sites maintained by third parties. There's A Pharmacist In The House does not control these sites or their content. Unless otherwise specifically noted, no endorsement of these Internet sites or their content is intended or made based upon There's A Pharmacist In The House's inclusion of such information or links on this Site. There's A Pharmacist In The House, its members, officers, directors, employees, contractors, authorized representatives, affiliates and assigns disclaim all responsibility and liability for these Internet sites and their content, including their products, services, quality, accuracy, sufficiency, proper functioning, and compliance with law. Further, There's A Pharmacist In The House, its members, officers, directors, employees, authorized representatives, contractors, affiliates and assigns are not liable for any claim, loss, or damage arising from user's reliance on the content of these Internet sites, use of these Internet sites, purchase or use of any products or services offered on these Internet sites, or linking to such Internet sites from this Site.

## Limitation of Warranties

The medical information on this website is provided "as is" without any representations or warranties, express or implied. There's A Pharmacist In The House makes no representations or warranties in relation to the medical information on this website.

Without prejudice to the generality of the foregoing paragraph, There's A Pharmacist In The House does not warrant that:

- the medical information on this website will be constantly available, or available at all; or
- the medical information on this website is complete, true, accurate, up-to-date, or non-misleading.

## Professional Assistance

You must not rely on the information on this website as an alternative to medical advice from your doctor or other professional healthcare provider.

If you have any specific questions about any medical matter you should consult your doctor or other professional healthcare provider.

If you think you may be suffering from any medical condition you should seek immediate medical attention.

You should never delay seeking medical advice, disregard medical advice, or discontinue medical treatment because of information on this website.

## Liability

Nothing in this medical disclaimer will limit any of our liabilities in any way that is not permitted under applicable law, or exclude any of our liabilities that may not be excluded under applicable law.

## Security

There's A Pharmacist In The House utilizes industry-standard measures to protect from misuse and alteration the personal information and non-public information under our control. For example, There's A Pharmacist In The House uses encryption technology to protect such information collected through the Site. While There's A Pharmacist In The House cannot guarantee that these measures will fully protect the personal information or non-public information that the user submits through the site, we will take all reasonable steps to protect the safety of the user's personal information and non-public information.
